Amassing a Maze of Memories

Only three years are spent in high school, and yet memories are made that will last a lifetime. Amassed in our maze of memories from this year will be: the crowning of the Homecoming Queen and King Arthur, football games on a well-lighted field, a practically snow-free winter, the tragic last voyage of the space shuttle Challenger, returning to school to find the dingey green lockers replaced by bright new gold and blue lockers, the ups and downs of our men's and women's teams, decorating halls and building floats, the rained-out Homecoming Parade, the coming of Halley's Comet, and of course, for seniors, the prom, party, and commencement program.

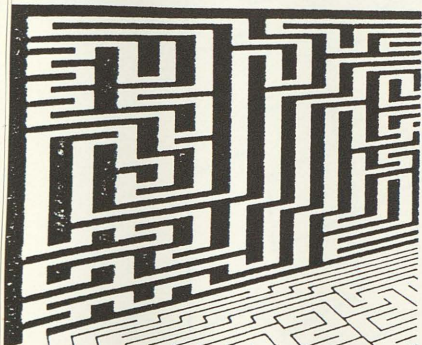

For most of us, each year at Arthur Hill is jammed with cherished memories. For others, a backward glance will leave them wondering what it would have been like to travel 'The Road Not Taken'; what memories were missed.

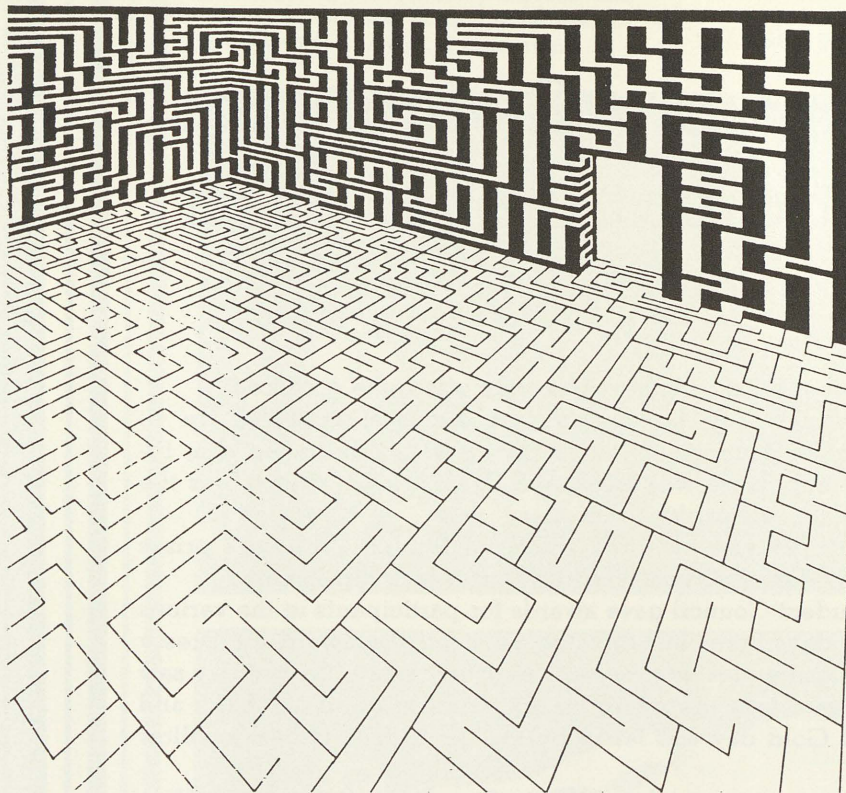

After the shut down of the vending machines during the first semester, passing the time was generally spent visiting with friends, as Carissa Wolff demonstrates.

After completing the homecoming hall decorating, this rowdy bunch of seniors displays homecoming spirit.

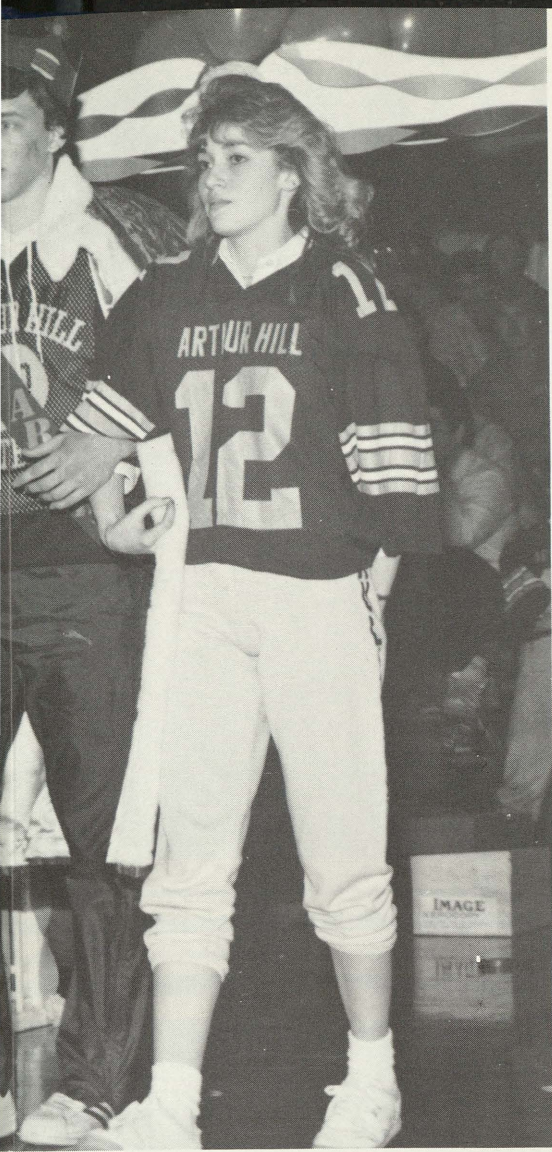

Student life: A Turn for the Better

Any excursion, by definition, is made for pleasure. It isn't surprising, to find, therefore, students taking an occasional side trip at mid-maze.

When the traveling gets tough, they need the diversion. They seek paths leading to various forms of entertainment.

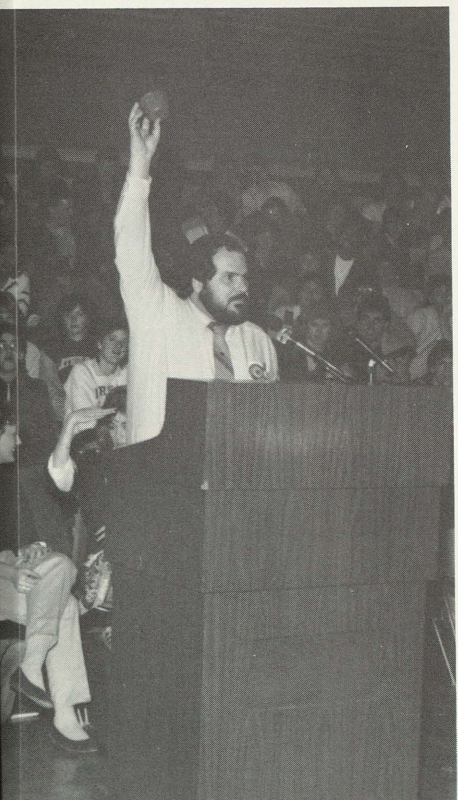

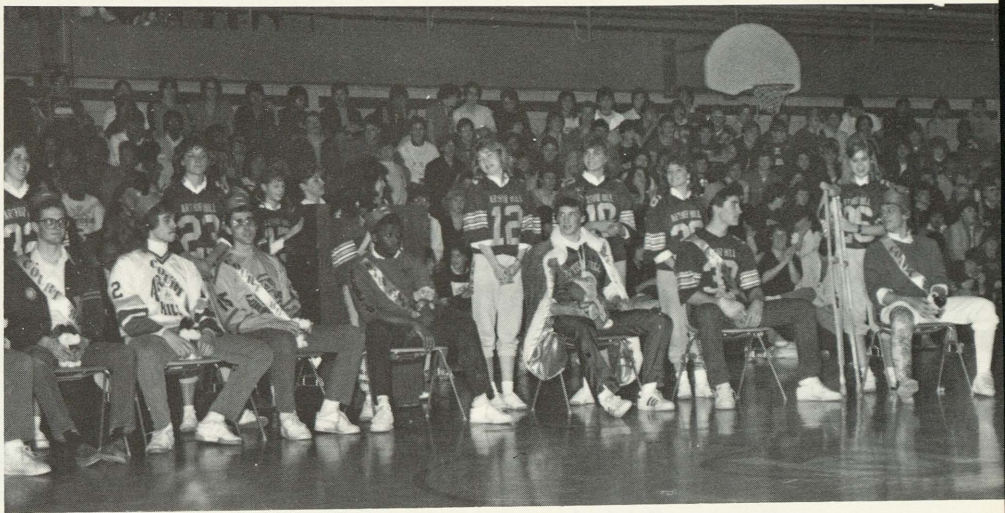

Some prefer the solitude of a book. Others prefer the more passive screen stories. Most enjoy a party with fellow maze workers where they can share their travelogues with each other.

Often times, the trip itself is enough entertainment to spark a student's spirit and keep him moving toward success.

Spirit Week Brings a Spunky Few 'Out of the Closet'

Spirit week is one of the most enjoyable weeks during the school year. It gives students a chance to break the regular routine of going to school. This year's Spirit Week consisted of four days, February 17-20, in which the students were able to dress up.

Monday was Dress-up Day; Tuesday was Lumberjack Day, which also included a pancake breakfast attracting Lumberjacks for some flapjacks and sausage; Wednesday was Career Day, on which students dressed for the career they would pursue; and finally, Thursday was Blue and Gold Day for which everyone wore blue and gold.

Best dressed people for each day were announced Thursday at the King Arthur Assembly. Brett Montgomery took the Best Dressed award; Greg Beeckman took the prize for most authentic Lumberjack; Luke Howard won the Career Dressing award; and Assistant Principal Burris Smith won the Blue and Gold Dress-up award.

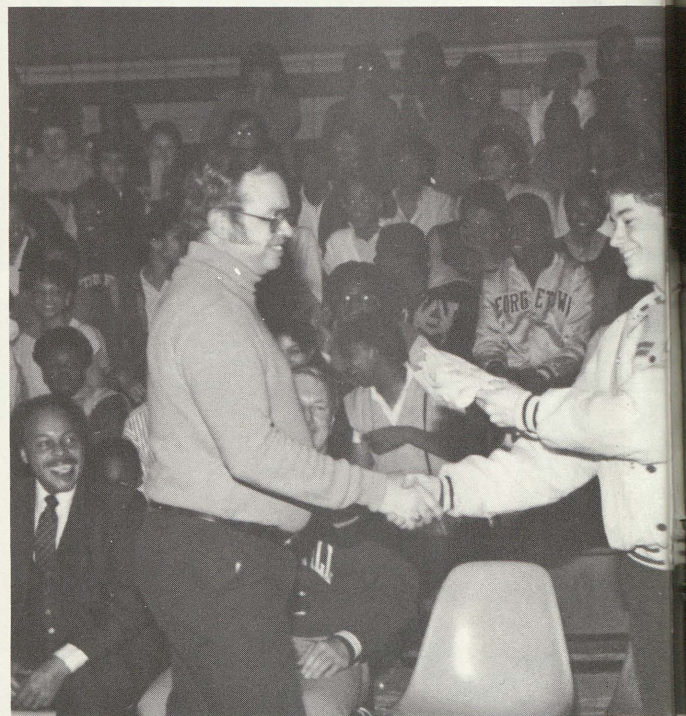

Mr. Burch also won a prize for being a life-long participant in Spirit week.

B/G Activities, BIG Success

Many students participated in the activities held during Blue and Gold Week. Everyone needed a break between Christmas and Easter and participating in the Mid-February activities was a welcome outlet.

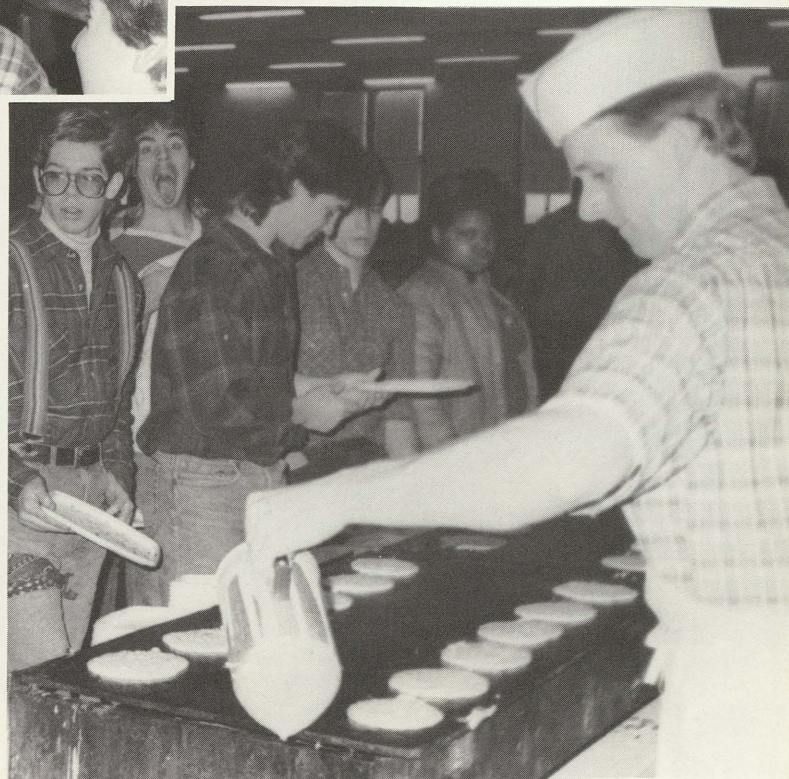

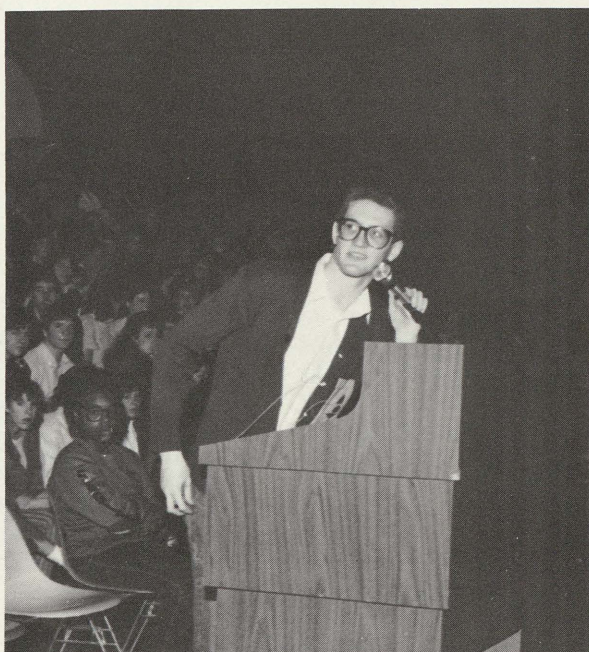

The activities held this year were, for the most part, traditional, beginning with Teacher Appreciation Day. Teachers arrived to find mailboxes containing the proverbial apple. Tuesday the Annual PAC Lumberjack Pancake Breakfast was held. Students and teachers alike were released from first hour class and treated to pancakes, sausages, and a beverage prepared by willing parent volunteers. Corey Robinson dominated the Free-Throw Shooting Contest held at lunch on Wednesday; and Phil Smith took the honors in the 'Simon Says' game held in the gym at the same time. Spirit Week ended with the Traditional King Arthur Assembly during which Larry Martin, Freddie Carter and Jim Parr took top honors; and the 25-19 Faculty/Pep Club-Student Council Basketball game.

Hillites Want to Party All the Time Party All the Time Party . . .

The students of Arthur Hill love to Party. As you can see they can do a good job. Students love to go out and have fun with their friends. The Den is a very popular place where you can meet new friends, dance, or just sit and listen to the music. Hillites also go to the mall, to the movies, or just have a private party. Here, some of our fellow students have a great time at a Halloween Party given by Paula Bukaweski, and at a dance sponsored by the Black Studies Club to kick-off Black History Month.

Dunk Tank, Main Attraction At The Fiesta

The second annual fiesta was sponsored by the Parent Advisory Council members. Special thanks go to the parents who helped sell buritos and made the fiesta a great success.

Each class had a booth where one could play a game and win a prize. One of the more exciting events was the dunk tank. Many students along with teachers participated in order to raise money.

This year we had the North vs. South football game on the same night as the Fiesta. North took a victory against South with a score of 20-14.

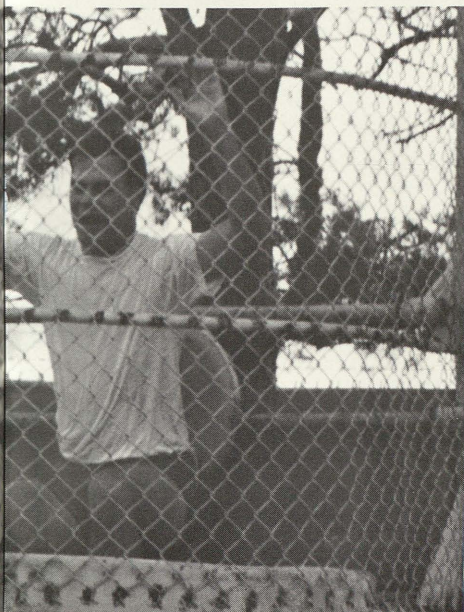

The Powderpuff Game was the most memorable event of the day. It was the first time a class won in both their junior and senior years. For the class of 1986 this was one of the highlights of the year.

Juniors Put Up Fight, But Seniors Win It

This year's powderpuff game was a close race, the final score being 18-16. The seniors were victorious after a long hard battle with the juniors. One senior commented; **The juniors were good . . . it was a close game.** Scoring for the juniors were Molly Minard and Kristine LaBrash. Scoring for the seniors were Liisa Furlo and Mandy Seymour.

The senior girls participating were: Karen Bradt, Amy Brown, Kristin Bierlein Kirsten Ciolek, Ester Gomez, Janice Hammond, Leigh Hammond, Anne Marie Howe, Jenny Jennings, Kim Mora, Felicia Neal, Barbara Podleski, Barb Valdiserri, Lorna Wilson, Jodi Sharpe, Trisha Rutch, Susan Rheinhardt, Liisa Furlo, Norma Walk, Elizabeth Whaley, Ginger Timm, Cherie Erway, Lochelle Washington, Kelly Fisher, Renee Revard, Mary Davis, Terri Shaler, Johanna Polzin, Mandy Seymour, Beverly Eddy, and Trisha Hubbard. Super Lumberjack Promotes Renewed Pep

This year's kick-off pep assembly began with a pep talk from Student Council President Jim Parr. The cheerleaders, dressed in football jerseys and shorts, gave an enthusiastic cheer. The seniors showed much more spirit than they had in previous years.

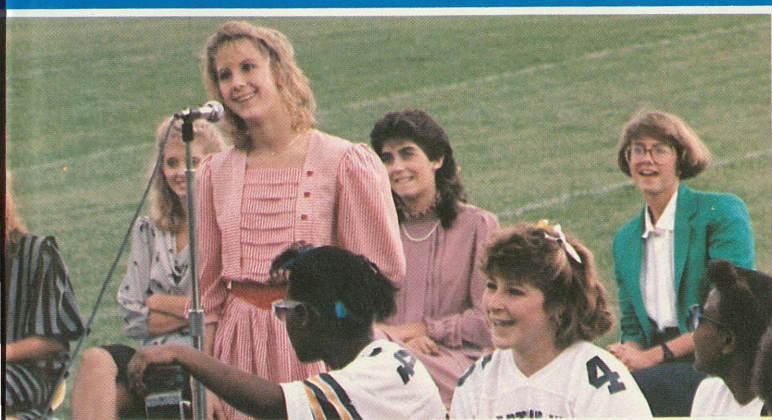

The fall sports captains and teams were introduced. The captains asked the Hillites for their support at their team's games and matches. The band, under new leadership of Mr. Tim Kasten, kept the spirit up in a traditional Arthur Hill way. The Pom pon girls performed impressively for their fellow Hillites.

The piece de resistance came when Mr. Sharpe, dressed as a super lumberjack, gave a very inspiring speech. He then announced the 1985-86 Homecoming Court.

It was the first time that the court gave their speeches for queen at this assembly in the stadium. The assembly closed with a final victory cheer led by Mr. Sharpe.

High Attendance Causes Split Assembly

Opening the ninth annual Homecoming coronation assembly were, student body President, Jim Parr and, President of the Pep Club, Ben Landon.

The 1985-86 Homecoming theme was **We Are the World**, which was performed by the Arthur Hill marching band under the direction of Mr. Tim Kasten, the new band director.

Last year's Queen, Pam Stuckey, made a short speech and advised the girls to **Be something, do something and have something**, and not to let it stop here. Following her inspiring speech former Queen Pam proceeded to crown this year's Queen Bridget Lantz.

This year, due to high enrollment and visitors there was a split assembly. The first floor went at 9:30 and the second floor attended a 10:30 assembly.

Presenting their annual skit the Homecoming court sang many replies to Queen Bridget's questions centered around project jingles. The main song of the skit was a take-off from a Bud Light commercial, with the girls singing, **Looks like a Hillite night** and doing a chorus line kick.

Student-body President, Jim Parr gives Queen Bridget a bouquet of roses in honor of her becoming queen.

Homecoming, Flurry of Main Events

As everyone knows, Homecoming is a big event at Arthur Hill. Many things happen over the course of three weeks, including the speeches of the fifteen attendants, the announcement of the queen, and the decorating of the class halls around a theme.

In an effort to pare down the number of assemblies this year, during the opening pep assembly, the fifteen girls gave their speeches and it was a proud moment for them all. For many sophomores this was an introduction to candidates who were otherwise well known.

Bridget Lantz was pleased and surprised when her name was announced as the 1985-86 Queen.

First prize in the homecoming halls contest went to the Senior class. The theme they picked was, **Welcome to the Sun Zone**, in honor of their trip to the Bahamas in the spring this year.

Even though they did not have many people to decorate their hall, they still showed their pride to be a Hillite with their great hall. The Junior effort earned them second place in the annual competition.

Hillites rallied to the cause during Homecoming this year, getting it off to a great start.

In this part of the Senior hall, they brought part of the Bahamas to Arthur Hill.

The Junior hall theme speaks for itself.

Torrential Rains Cancel Parade; Postpone Events

The 1985 Homecoming parade was rained out this year but that didn't stop the dedicated fans. Even through the drenching rain they waited for the parade. It was cancelled by the final shower; floats and vets alike sped off into the rain.

Fans were forced to give up on the parade since the floats were ruined, the homecoming court was wet, and everything was muddy and soggy. Due to the weather the girls debut was postponed for a week.

The following week the girls concluded their program. They rode on their corvettes around the stadium and were introduced with their parents at half-time.

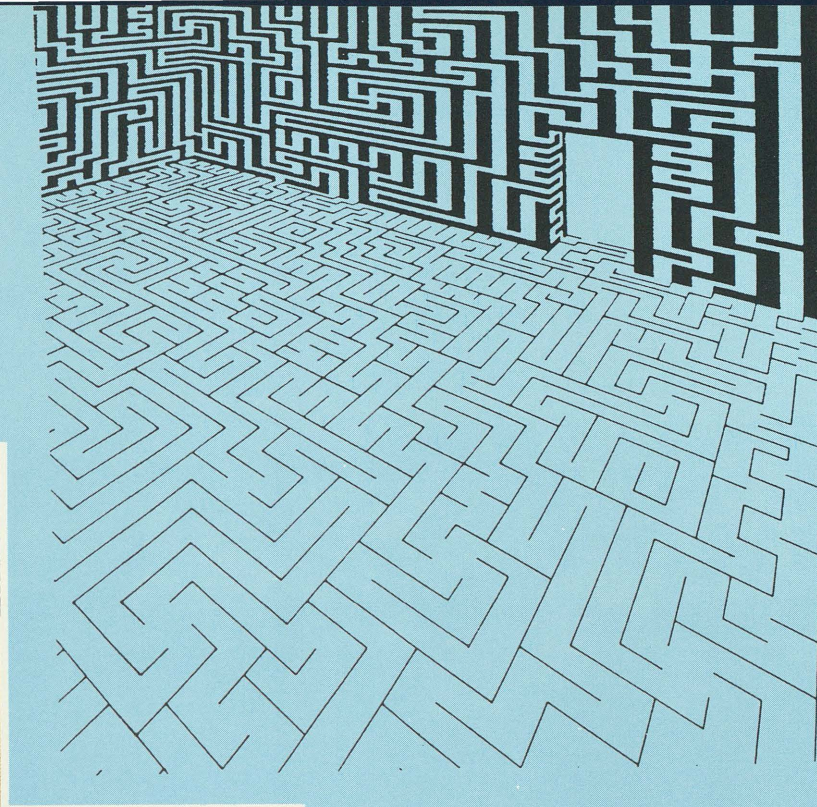

Flood pants were a necessity for this year's parade.

Clubs and Organizations: A Maze of Choices

A student's life is a maze of choices. The path to adulthood provides hundreds of opportunities to practice decision making. The maze of opportunity begins in high school.

Right here at Arthur Hill we make decisions that will effect us the rest of our lives. We must choose which clubs to participate in, which teams to play on, which scholarships to apply for, which colleges to go to, and which friends to hang with; each of those choices leaves at least one path in the maze untraveled.

The chosen path hopefully will not be a dead end. When we choose we hope to arrive at our goal the fastest and easiest way.

Band Takes on New Look Under New Leadership

This year Arthur Hill bands have a new director, Mr. Tim Kastin. He taught for 2 years in Tawas, 7 years in Bridgeport, then, he left teaching and worked for Henco Inc. for the past 5 years. His return to teaching is evidence of his dedication to the field.

The new uniforms the marching band received this year put them a step ahead of the rest. They got full uniforms, even hats with plumes!

At Arthur Hill this year we have a Concert Band that doubles as Marching Band during the football season, a Pep-Band that played at Basketball games, and a Jazz Band that got together on their own time to practice.

One major deal for the band this year was the first Annual Arthur Hill Alumni gathering. Former players returned to play with the Marching Band. It was quite an event!

The band also worked at fund raisers all year so they could go on their trip this spring. We would also like to say thanks to Felicia Neal, Band President, Julie Freemont, Vice-President, and Matt Handley, Treasurer, for their help and guidance throughout the year.

Latinos Promote Hispanic Cultural Awareness

The Latino Action Club members got off to a very active start during the 85-86 school year. Mr. Tony Olvera, advisor of the club, met early with the 65 members of the club to plan activities and upcoming work.

In its ninth year, the organization has held a pinata breaking, including traditional dancing done by members, luncheons for the staff, and a dance. The dance held this year was to raise money to buy jackets for Latino members. The members are planning a trip to Cedar Point and hopefully another trip later on in the year. They also participate in a parade during the summer months.

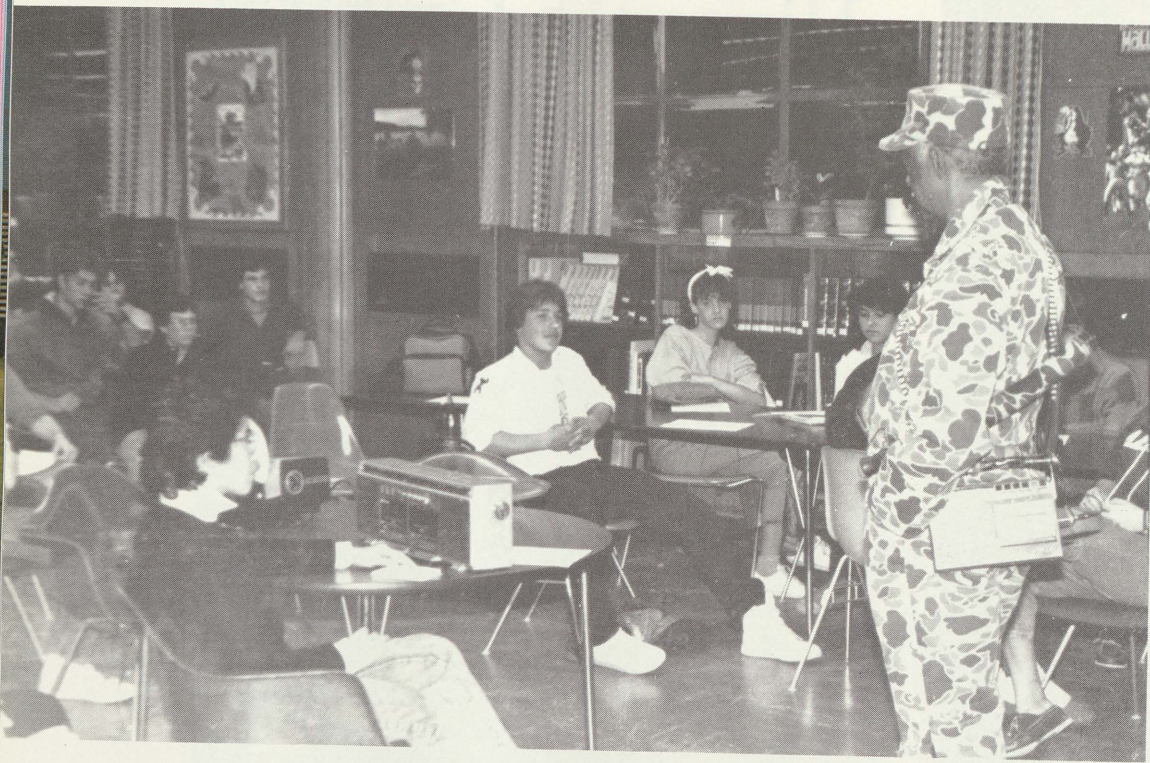

The club is organized for any Hispanic Hillities interested in cultural-awareness and getting involved with school and the activities. Mr. Olvera says all students of the Latino Action Club co-operate in extra-curricular activities and work, and enjoy what their doing.

Students of the club are encouraged by their advisor to attend college and be all that they can be, and they are all trying hard. All money left over at the end of the year will be used to start a Scholarship Fund.

College Seminars in High School? . . .

Biology Club

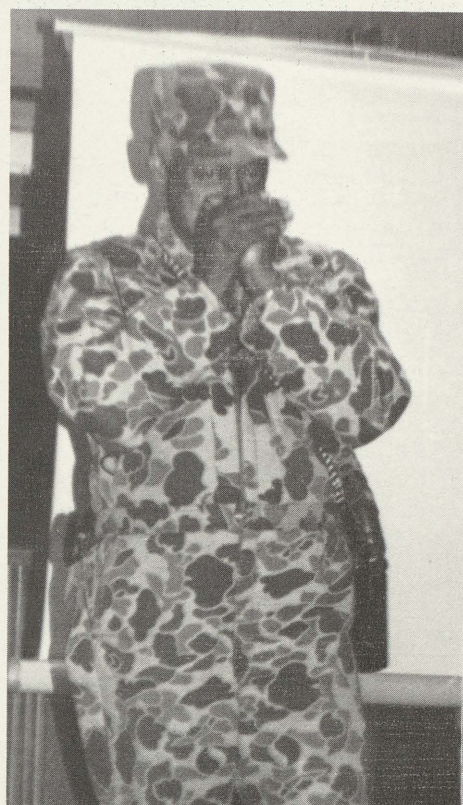

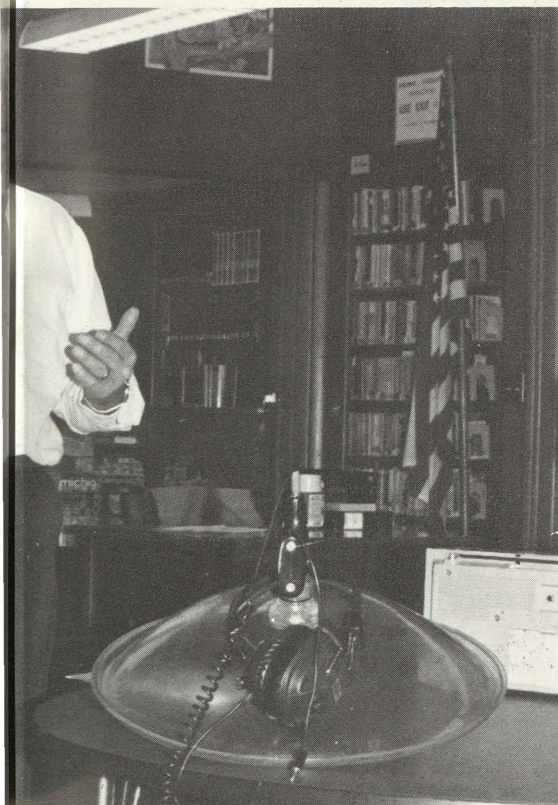

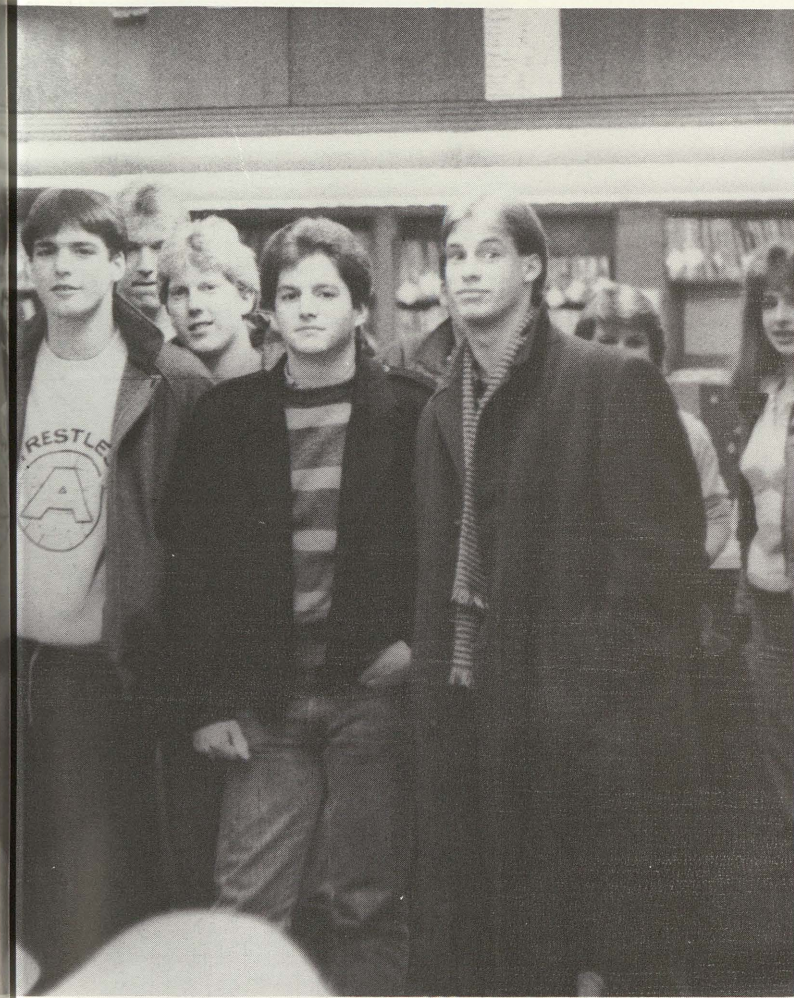

Many Students in College preparatory classes involving science are members of this year's Biology Club. Any student involved in science is eligible.

The Biology Club was organized by the head of the Science department, Mr. Fred Case, in 1953. This year it is sponsored by Mr. Case and Mr. Manisand.

The meetings usually take place once a month on a monday night around 7p.m., announced in advance in the daily bulletin.

Biology meetings are similar to college seminars in that the students participate by choice. During these meetings the speaker's lecture is usually accompanys by slides or recordings related to the discussion. Afterwards there is time for open communication between the students and the speaker while refreshments are served.

The main purpose of the club is to cover areas of Biology that there is no time for during class period. This is obviouly well accepted by the students because there is an excellent attendance often ranging from 35 to 50 students per meeting.

Swing choir: A Class Act

This year's swing choir started out right with new members; three sophmores, two juniors, and seven seniors. Also, there were two returning juniors and three returning seniors.

Swing choir is one of three classes taught by Mrs. Mary Dyer. The members must audition and be chosen by other choir members. Though it is held during school hours, the choir often performs in the evening for various groups and organizations. They are a very well known group in the Saginaw area and are paid for most of their performances.

This spring the swing choir hopes to have enough money from fund raisers to travel to Hershey, Pennsylvania where they hope to compete.

Drama Club: A Beginning for Hopefuls

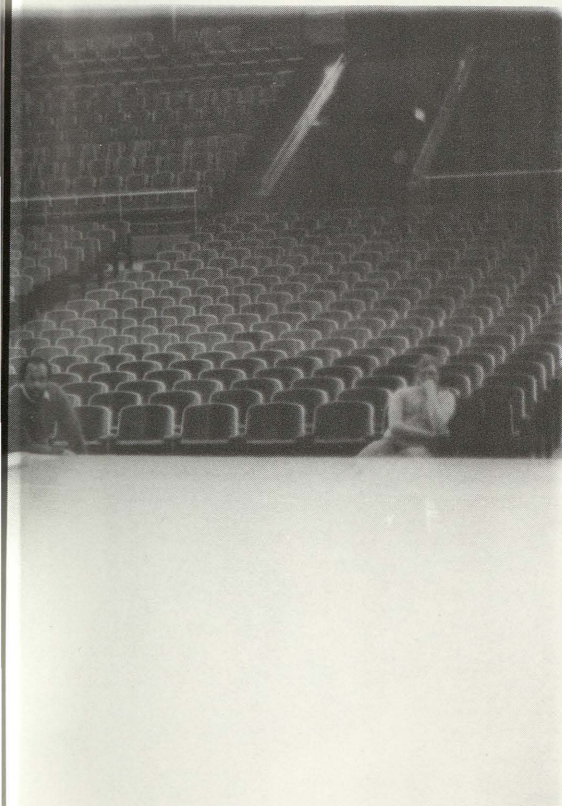

The Drama Club had a very successful year. Many new people showed up for tryouts probably due to the wild new announcements over the PA, making more people interested.

The annual spring musical performed by the Drama Club was "Hello Dolly," a musical about a woman who helps people find their perfect match, but her secret hope is to find a match for herself. The major roles were played by: Johanna Polzin, as Dolly; Jon Ball, as Horace; John Rutherford, as Cornelius; Sarah Maul, as Minnie; Mike Burton, as Barnaby; and Jodi Chartrand, as Irene. The faculty director of the play was Don Durrett, student director was Jodi Ezop, voice consultant was Mrs. Dyer, and band director was Mr. Kasten.

The Pep Club Comes Alive!

The Pep Club, advised by Ms. Bea Ugartechea, is a club that keeps Arthur Hill's spirit alive. The President, Ben Landon, has done a good job promoting pep this year at football games, Homecoming activities, assemblies, announcements, etc. He's made Pep Club the biggest and best its been in years. Wayne Sylvester, Vice-President for Student Council and Pep Club, has helped Ben keep the Pep Club alive in many ways.

In homecoming activities, Ben and Wayne, helped out in making the Senior halls the best. They also helped the rained out parade by making a float.

At football games, the Pep Club cheered Arthur Hill through their worst defeats.

During announcements, they sparked interest in clubs and extra curricular activities with their colorful and innovative approach to informing the school.

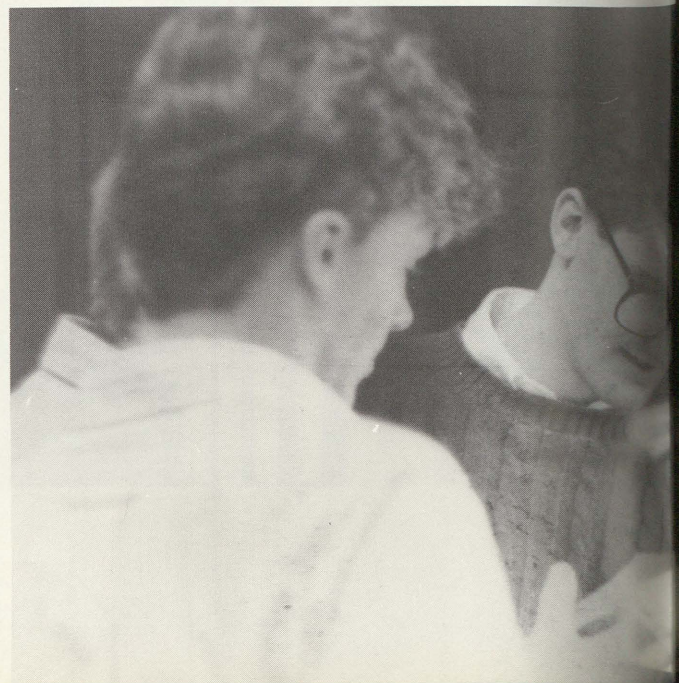

At assemblies, they brought out the spirit in all Lumberjacks by their own special cheers.

Pep Club is open to any Lumberjacks wishing to participate. Lets keep the pep alive at Arthur Hill!

Ben Landon and Tim Rick give an enthusiastic announcement promoting attendance at a Varsity Basketball game.

Pom Pon Girls Keep Rockin'

This year's Arthur Hill Pom Pon squad was happy to receive a new coach. The sixteen girls on the varsity and twelve on the junior varsity perform routines which are made up by committees chosen by the coach.

In order to be on the Pom Pon squad, girls must maintain a 2.0 or better average, or they will be put on probation.

Clinics are held the first four days of school, the fifth day, teams are judged by local officials. Competitors are judged on their presentation of the fight song and an original routine plus cartwheels and splits.

This year the girls have worked hard under their new coach to learn and perfect their routines.

Cheerleaders Inspire Spirit Revival

Arthur Hill Cheerleaders have a deep and sincere enthusiasm that radiates out, says Coach Meyer. That's what makes the cheerleaders special, and makes them glow.

The cheerleaders this year had a new coach, Linda Meyer, a former Arthur Hill graduate and cheerleader. She feels there has been a great change in the cheerleading squad from 1971, when she was here, to the present. The uniforms are shorter, and there is more emphasis placed on gymnastics and competition. However, the same old pep and spirit are still there.

One goal the cheerleaders set out to accomplish was, group unity and excellence. This was fulfilled at a state competition where the squad placed third. Another goal was **Spirit Revival**.

Meyer's cheerleaders worked hard to revive enthusiasm and school spirit in the Arthur Hill student body.

Journalists Reach For Perfection

The Arthur Hill News, distributed once a month, is read by students and other members of the community as well. Very few students realize how hard it is to finance and put the paper together.

The news staff in thick and thin, come up with a variety of stories, ranging from athletics, to students, and everything and anything in between.

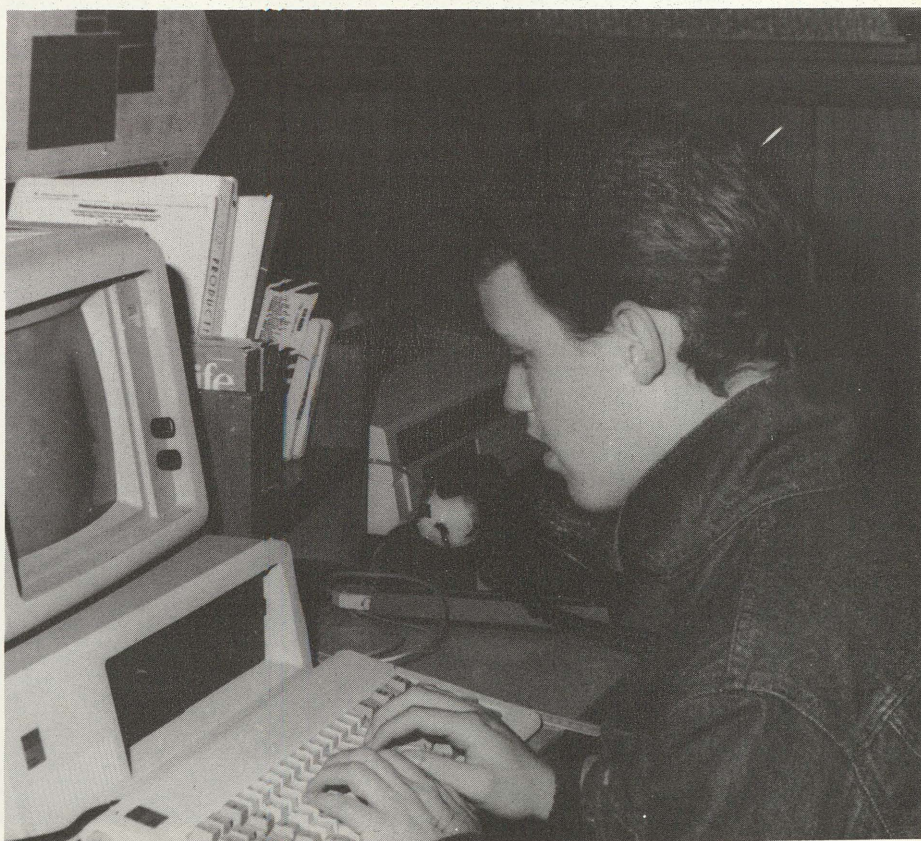

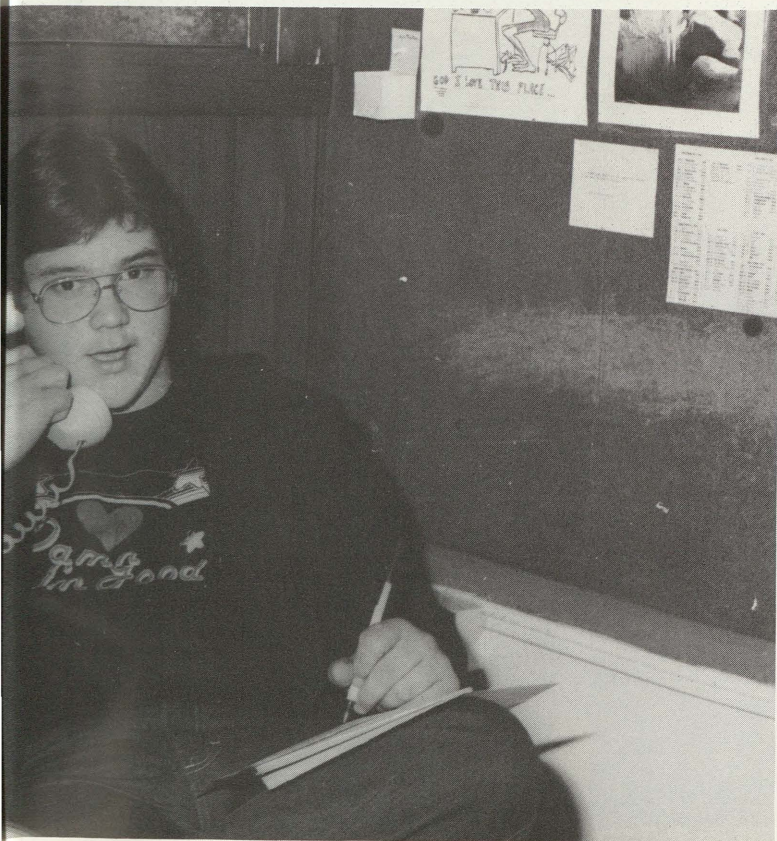

Writing articles and pasting down stories on spreads is a daily project, and very stressful at times.

This year's Editor in Chief and Editorial Editor is Steven Eimers; the News Editor and Illustrator is Todd Schulz; the Feature Editor is John Palmer; and the Sports Editor and Photographer is Scott Dinse. Beginning journalists make up the Reporting Staff and strive for editorial board positions the following year.

Students Gather and Bind Memories

What do you think of when you think of sports, teachers, students, pictures, deadlines and hard workers? The yearbook staff of course.

The Legenda is a collection of Hillite memories gathered together by dedicated students.

A lot of hard work and time is put into the yearbook every year by all the staff members. We all take part in writing stories, making layouts, taking pictures and many other tasks.

We, the yearbook staff, enjoyed creating the yearbook and we hope you enjoy it as well.

Elected Officers Lead Hillites

This year's Student Council consisted of twenty-five people, ten of them were elected in May and fourteen in October. Two historians and a Parliamentarian were nominated by the President, Jim Parr, and voted in by the council.

Elected historian and parliamentarian were Gavin Henning and Kelly Spencer.

Together they are responsible for compiling a pictorial record of the various Student Council activities and ensuring that parliamentary procedures are followed throughout meetings.

Among their activities for this year was a blood drive for the Red Cross. The Council was pleased to announce that the drive resulted in the collection of 75 pints of blood.

Under the leadership of President Jim Parr and Vice-President Wayne Sylvester the council was revitalized.

Seniors: Master Maze Workers

By the senior year students have mastered the maze. Wrong turns made in the early attempts at completing the maze are behind them at last.

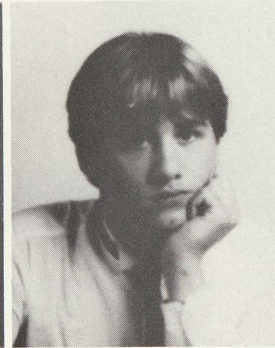

Recognition for their endurance and perserverance comes in the form of a diploma. The diploma grants them entrance to an even more perplexing labyrinth, one that will take a lifetime to complete.

Athletics: A Maze of Blue and Gold

Directed by their coaches, our Lumberjacks attempt to conquer their opponents in a confusing tangle that is known as athletic competition.

Whether the challenge takes place on the grid iron, in the swimming pool, on the basketball, tennis, or volleyball court, the wrestling mat, the golf, or cross country course or the hockey rink, the goal is the same: to meet the competition and beat it.

In athletic competition, solving the maze involves not only making the right decisions, but also making them first to avoid entrapment in a maze of color.

Trying to pick off the opponent is first baseman Jodi Sharpe.

Signaling the next pitch is catcher Barb Podleski.

Hurrying to reach base safely is Barb Podleski.

Junior Kris LaBrash shows her winning batting stance.

Showing her intense concentration is pitcher Mara Kanary.

Varsity Softball Takes Second in Valley

This year proved to be a great success for the Varsity softball team. They took a second in the Valley falling just behind first place Bay City Western.

Coach Teter commented **We have a good solid defense. All positions have exceptional players.** This year's team consisted of three seniors, four juniors, and four sophomores.

Pitcher Mara Kanary broke records in earned runs, strikeouts, and walks, other outstanding members of the team included Erin Flynn, Bridget Reimus, Molly Minard, and Kris LaBrash.

J.V. Viewed as Proving Ground by Coach

This year's J.V. Softball team consisted of eighteen players, as usual, their tryouts were held in early March.

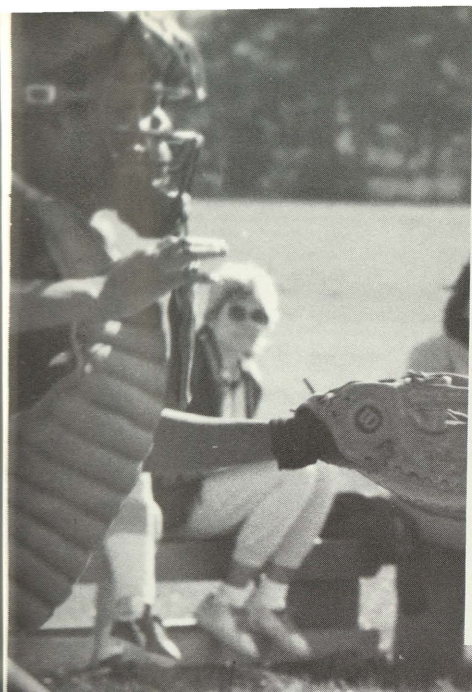

In order to be on the J.V. Softball team, players must meet the MHSAA's eligibility rules.

Good players can be pushed-up to varsity. All players must learn the basics; proper bunting, batting, base running. The difference between J.V. and Varsity is like night and day only by learning and improving will these girls go on to the varsity level.

Team Season Highlighted by Individual Performance

The girls swim team worked very hard throughout the season, many of the girls placed in the top ten of the Arthur Hill record book.

The 400 yard freestyle relay team had a spectacular season winning almost every race during the season. The relay team consisted of; Jodi Sharpe, Barb Valdeserri, Bridget Lantz, and Jenny Flattery. Janice Hammond got off to a rough start missing the first three meets due to an injury sustained in a car accident, but she did return to finish the season undefeated.

In the Valley meet the girls finished fourth out of nine teams with Bridget Lantz taking first places in the 500 yard freestyle and the 200 yard freestyle, the 400 yard freestyle relay team took first breaking the old Arthur Hill record and Janice Hammond took first in Diving.

Girls' swim Coach Dale Purchase is looking forward to next season and to many more girls joining the team.

Running the Race, Keeping the Pace

As in any year, this year's track team started out with a lot of girls and ended up with less girls as time went on.

Mr. Luxton, the coach, worked very hard with the girls that stayed on track. He took care in deciding what each person would do in each track meet.

Even though the girls didn't win very many meets, they tried hard in good and bad weather.

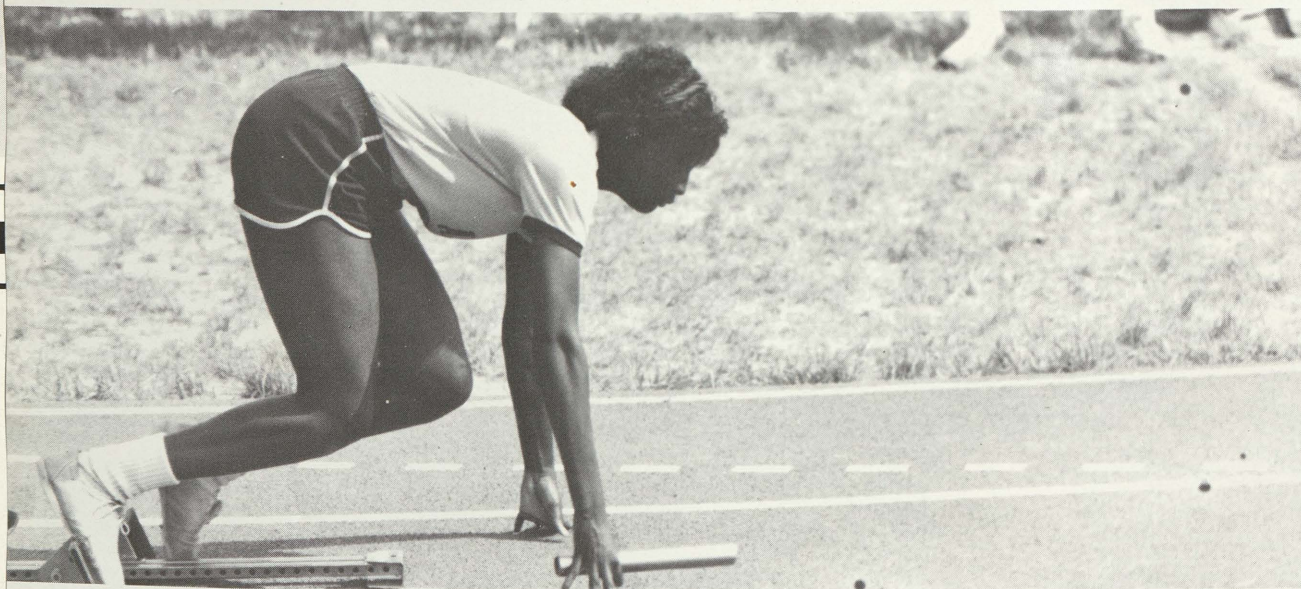

Mr. Luxton would like for more students to come to the meets and show school support.

Varsity Spikers Net Record Low

Tough times were about for the 1985-86 girls' Varsity Volleyball team. Their season ended with a Valley Record of 1-9 and an overall record of 1-29.

Difficult practices and strong efforts by individuals just weren't enough to give the girls the needed edge to accomplish a successful season. With more practice and team cooperation the lady spikers stand a chance of faring better next year.

New Players Learn New Skills

The 1986 J.V. Volleyball season was a success. Most of the girls on the team this year had no previous volleyball experience. Everyone worked hard all season to develop team work and good volleyball skills.

At the start of the year there were sixteen sophomore girls. In spite of the fact that three starters were lost due to injuries, the team improved its record 38% over last year.

This year's team put special emphasis on learning the ideal sequence of hits: bump-set-spike.

They finished the year with an 8-8 record. Coach Paul Sauvee said that, With more experience and maturity the J.V. team could have won seven matches they lost. Only one school, Midland High, beat them by a large margin.

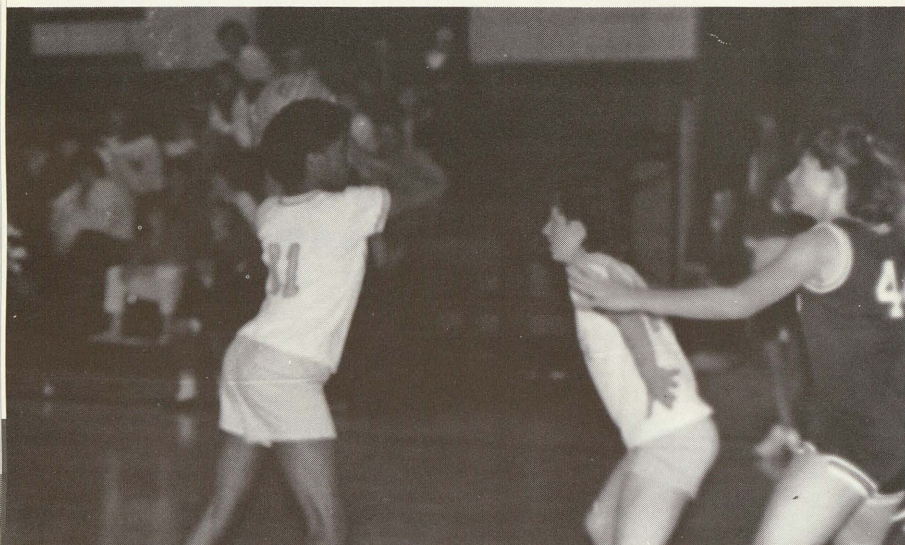

All-in-all, this was a very good year for the J.V. team. Everyone gained valuable skills and experince for next year and also later in life.

Varsity Girls Back on the Rebound

Although this year's team was lacking in height and number the hustle and desire was as intense as ever, said Coach Pat Teter of her squad.

Teamwork and aggressive defense improved this year for the Varsity girls. The team earned a record of 13-10, with six of those 10 losses to the top five teams.

Individual awards were presented to deserving players. Sophomore Cherina Lloyd earned the Most Improved Player award and a spot on the All Valley Academic Team and an All Valley Honorable Mention. Junior Faye Burt led the team with 41 steals. Junior Molly Minard earned the Most Valuable Player and Blue and Gold awards and was named to the All Valley Second Team. Senior Alesia Strickland led the team in rebounds and was awarded the Defense award and received an All Valley Honorable Mention.

The girls played very hard all season regardless of the odds, Teter said, With a little more self discipline, we look forward to an even better season next year.

JV Experience Provides Firm Foundation in Fundamentals

Playing for the Junior Varsity Basketball team provides each girl the opportunity to improve her individual and team skills.

Each season begins with lessons in the basics of the game. In order for player growth to occur, the fundamentals must be stressed.

Although the lady cajers finished the season with a 5-14 record, the coach feels that because of their interest in and enthusiasm for the game and their desire to improve, each girl can make a positive contribution to the program in the future.

Varsity Chalks Up an Excellent season.

The Varsity Baseball team ended the season with a 23-12 record. Their goals were to win the state tournament and finish high in the Valley Conference. Carpenter wished for more support from the students, but the parent support was very good.

When asked how the team had improved, Carpenter commented, **These players worked more as a team than any other team I've coached, they're a good group of kids who worked hard all of the time.** He was very satisfied with the team's efforts. They never seemed to give up. Everyone contributed, it would have been hard to pick a most valuable player, but Jim Bradley has had an excellent season. He collected over fifty hits. Coach Carpenter's last remark: **We had a great season and it was a pleasure working with these kids.**

Junior Sluggers Suffer Defeat by Formidable Opponents

The 85-86 J.V. Baseball team worked hard this season to earn a disappointing 11-12 record. In spite of the poor showing, the coach is looking forward to next season.

Led by Dave Ward, Burris Smith, Jim Santino, and Matt Bridge, the Junior sluggers faced such formidable opponents as Midland Dow, the toughest on the schedule.

Boy's Track . . . Racing To Win

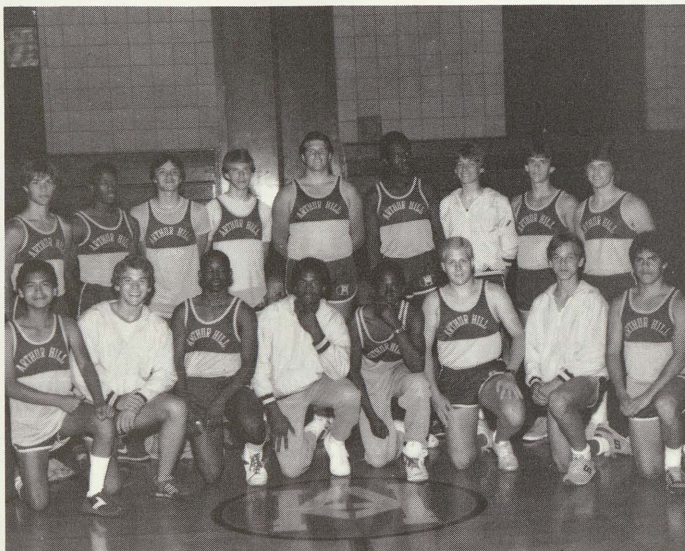

The 1984-85 track team started meeting in March and continued through May.

Coach Oeming says that Flint Northern, Midland, and Midland Dow were the toughest opponents, having fine track programs. He also felt that the Saginaw Valley Conference produces many fine athletes from all the conference schools.

Brian Heubner a junior, was the highest scoring member of the 1985 track team. He was one of the top Pole Vaulters in the area and finished third in the Saginaw Valley League. Luke Howard, who was also a junior, was easily the most improved track man this year. Coach Oeming envisioned him as a top distance runner for Arthur Hill in 1986.

The goal for this year's team was trying to get boys to join the track team.

The Challenges of Tennis

One of the most challenging sports is Tennis. It takes lots of skill, stamina, endurance, and hand-eye coordination. This year the boy's tennis team showed they had what it took.

They won six games out of eleven losing only to the traditionally more skilled teams. Still they gave it their best shot, fighting in every match.

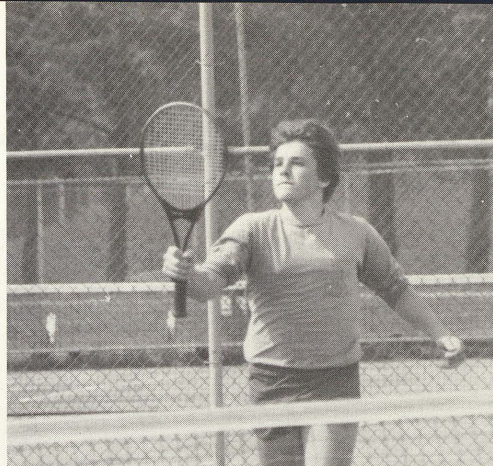

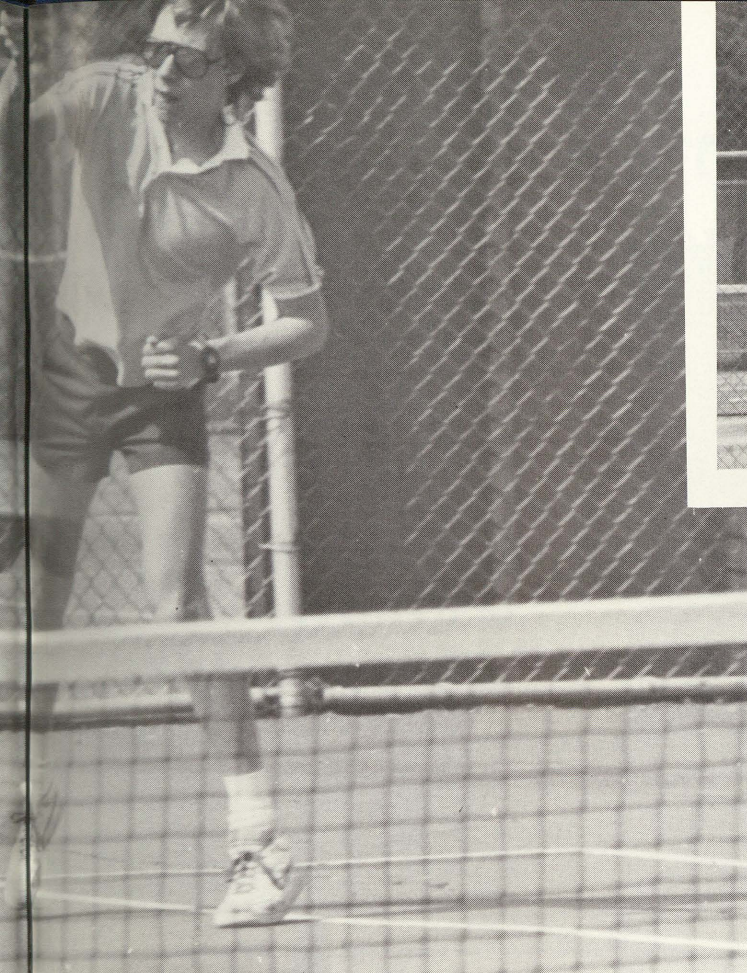

All three doubles teams went to the semi-finals. They were Eric Nowosaka and Gavin Henning, Todd McCullen and Dan Naperalski, Matt Gawlick and Andy Morrey. Going into the finals, were Matt Gawlick and Andy Morrey, who helped their team place fourth in finals.

Cross Country Team Goes Co-ed, Places Second in Valley

An added attraction on the 1985-86 Cross Country team this year was two girls, Kathy Gonzales and Kathy Kinsella.

Kathy Kinsella placed third in the county meet, while in the Valley meet this year's team placed second.

Roy Kapp and Luke Howard received honors for being on the All-Country First Team.

In the valley meet Arthur Hill was rated second for the top three runners, Luke Howard, Roy Kapp and Tim See.

At the Regionals, the team placed eleventh, Luke Howard placed tenth with a time of 16:50.

Luke Howard placed thirty-ninth in a field of 100 runners in the Class A State Meet.

Next season, coach Mattson plans on having a girl's varsity team in addition to the traditional Boy's team.

Our team learned the value of pre-season competition and preparation, said Coach Dick Thomas.

The team members of this year's Golf team were Bret Montgomery, Jason Kilts, Buss Smith, Kurt Premo, Dave Helpap and Matt Bridge.

The top player was Bret Montgomery who will also be leading next fall's team.

The best game played was at Swartz Creek where Arthur Hill triumphed over Pontiac by 97 strokes.

The highlights of this season were Bret Montgomery's coming in thirteenth of 108 golfers in Class, A Regionals, and Dave Helpap's hole-in-one in a practice round.

Swim Season Had Its Ups, Downs

Impressive Career Record of 143 Wins and 26 Losses Compiled by Veteran Coach

A.H. Swimmers worked very hard this year, starting weight training and swim conditioning in late September, practicing through Christmas vacation and ending the season late in February. Coach Howenstine had a lot of outstanding swimmers to work with in this, his last coaching season, including many seniors.

In light of his 4:54.7 record in the 500-yard freestyle, Chet Swanton was voted outstanding senior swimmer by his teammates. Swanton surpassed the '81 record by 5.4 seconds. Swanton was also the highest point swimmer earning total of 231.5 points throughout the season. After Swanton, top point swimmers were: Tim Rick with 201; Chuck Bruske with 181.5; and Jeff Wendt with 169.

In addition to their team honors, Swanton and Rick qualified for the State Meet.

Chuck Bruske was tagged most improved swimmer for knocking .4 seconds off his time. Bruske received the Coach's award for his efforts.

A.H.'s swim team has won the Valley 40 out of the last 43 years.

Coach Kent Howenstine ended his coaching career after 14 years and a career record of 173 wins and 26 losses. Under his direction, Arthur Hill saw many swimmers participate in State Finals.

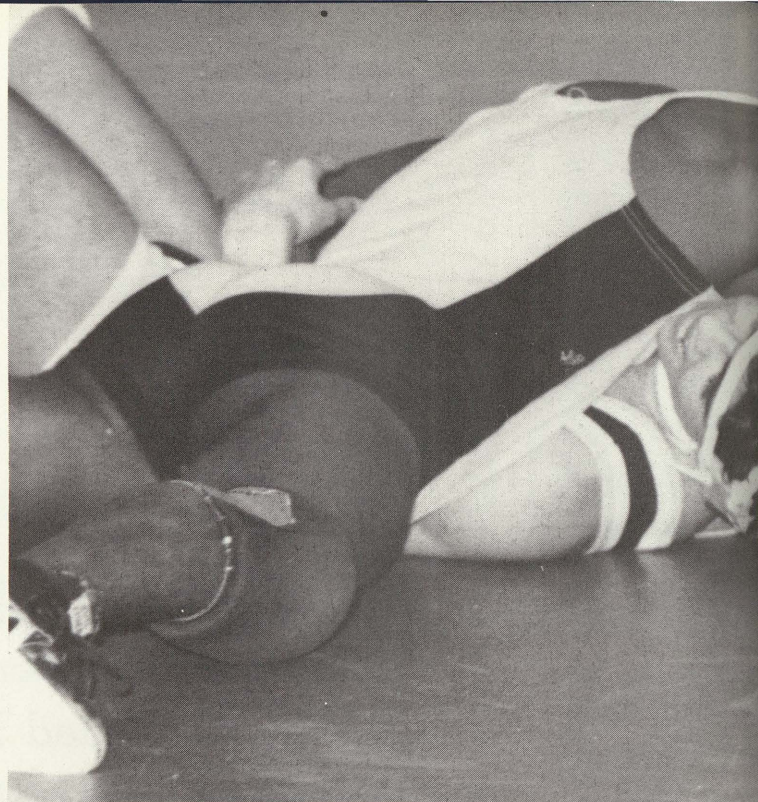

According to Senior Greg Simmons, "Howenstine puts out 4 times the amount required."

Matmen Pin Hopes on Next Season

This year was a rebuilding season for the wrestling team. The matmen started the year with new coaches, Pat Marcogliese and Jim Eurich and many first year wrestlers.

Leading the team was junior Tony Novak with a 16-9 record, winning 64 per cent of his matches. Seniors Dwayne Coleman and Jose Jiminez and Junior Ed Foley also fared well this season.

Tagged most improved for the season were Aurelio Delgado and Chester Sells.

Goals for next season include, more support from the student body and the hope of a winning tradition.

Hillite Icers Tally 220 Goals Enroute to Semis

Throughout a season which spanned fourteen and one half weeks, the Hillite Icers amassed a total of 220 goals for the season and glided through a Valley championship, a Regional Title and played in the State Semi-Finals against a tough Trenton team.

Before the season was over, the team had left 23 teams by the wayside earning them an impressive 23-2-1 record over all.

Statistician Bob Thill said that the team owed much of its success to the contributions of senior foreign exchange students Bill Birks and Derek Low, both of Sicamous, British Columbia.

Birks was the team's leading scorer with a total of 86 points on 38 goals and 48 assists. The leading goal scorer for the season was Sohpomore Joe Schram with 45 goals and 28 assists for a total of 73 points. The leading goalie was Chris Bowden with only 2.68 goals against him.

Strength could also be found in the skills and contributions of three year letter winners: Assistant Captains John Loucks and Chris Dawson; Jim Parr, John Nowosatka, and Jason Jaenicke.

Other seniors on the roster were: Goalies Joey Medina and Chris Bowden; Defensemen Scott Wolpert and Joe Barz; and Forwards Paul Richard, Troy McAnany, Captain Brian Kischnick and Fred Lemke.

Lumberjack's Detoured on Road to Glory

The 1985-86 Varsity Football team started out on a good roll but got side tracked somehow. The team ended up with a five win and four loss total.

Scoring for the Hillites over the whole season were Jim Diffell, Roland Rance, Matt Worrell, George Mushatt, and Marty Skelcy.

The team's toughest competitors were Flint Northern and Midland. Both games the Hillites scored no points but did their best in trying.

Overall the Lumberjacks placed sixth in the Saginaw Valley League. The team had a new coach this year, Jim Eurick. Eurick, a math teacher, has proved to be high spirited coach.

Head Coach Luxton leads J.V. Squad with Enthusiasm

Arthur Hill's Junior Varsity football team started out this season under the new leadership of T.J. Luxton. Coach Luxton, a former Lumberjack and football player, was a welcome addition to the team.

The team won three out of their first four games. The first game against Alpena was a shut-out, with the great plays performed by fullback Lenny Doran. The team won the second game against Flint Southwestern.

The most exciting game of the season was the third game played against Flint Northern. With a score of eight to sixteen the clock ran out and the Lumberjacks were unable to catch up. The Lumberjacks came back and won their fourth game against Bay City Western.

Losing the Little Brown Jug Game was the most disappointing event in the season. This was the first time since 1974 this game was lost.

The team enjoyed working under Coach Luxton and all except ten players will be returning to the J.V. squad next year.

Kubiak's Cagers Drill for Success

Drills and practice found this year's Varsity Basketball team in good shape.

Closing the season with a 15-7 overall record, the team trounced Alpena 82-57 and 70-44, and went into triple overtime against Saginaw High before losing 60-62 at the Civic Center.

Coach Kubiak claimed the the most competitive teams were Saginaw High and all of the Flint schools.

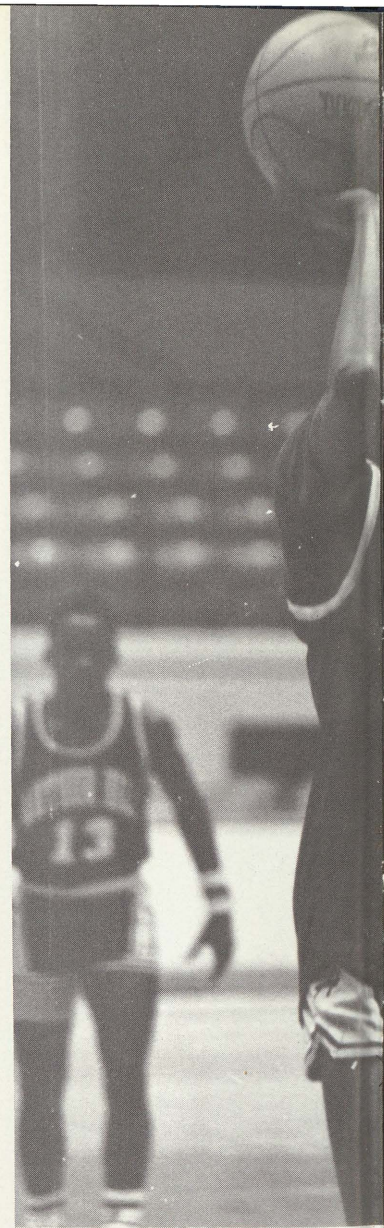

Captains of this year's team were: Demetrius McKnight and Larry Martin. The most improved player was Anthony Davis who also held the record in scoring. Captain Demetrius McKnight held the record for the most rebounds.

Coaches (A Breed Apart) Saluted for Dedication

School spirit is not just shown in the students but also in the coaches. They are involved in making Arthur Hill have more school enthusiasm.

Coaches teach students to excel in sports and do the best they can do. Also, they are chiefly responsible for most of the school's spirit. Very few times are these people recognized or applauded for all they do and what they stand for. Little does anyone realize all the effort and time these dedicated people put into our school.

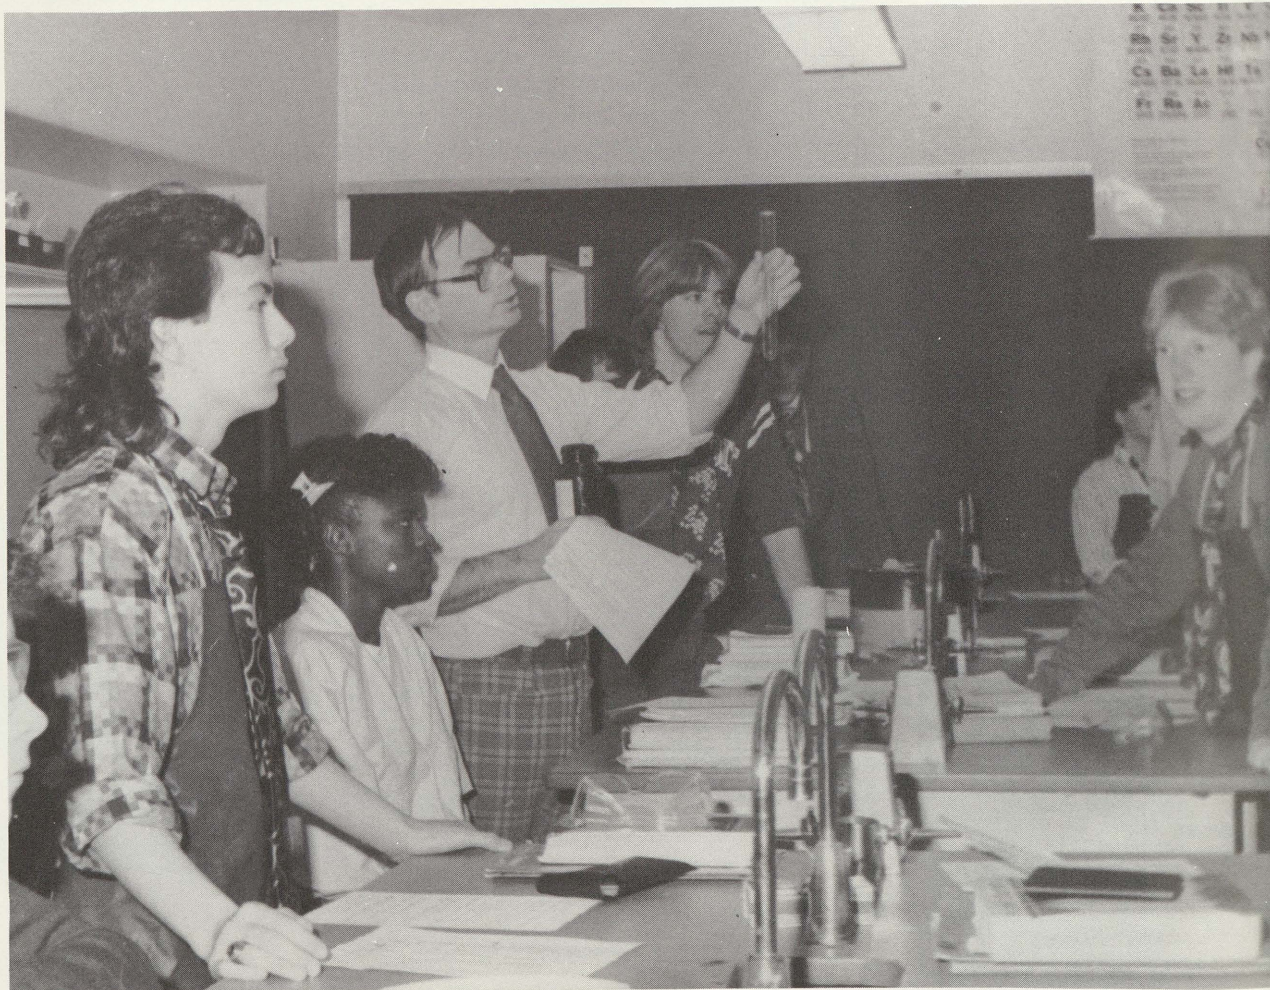

Coaches are by far a breed apart. It takes special people to have the patience, time, and ability to handle students in a non-academic setting. For this, we salute the dedicated coaches of Arthur Hill.

Academics: A Challenging Course

High School is a network of intricate paths to be confronted by each student. At the end of the maze is commencement. At every turn, a decision must be made. The challenge is to complete the course successfully.

As the paths twist through the maze a student will encounter the basics: math, science, social studies and English. Some will wander through the arts, business, or home economics. Others will choose the more conventional paths.

Whatever his inclination, each student's success is rewarded at the end of the maze with a ticket to travel through an even more challenging one-adulthood.

Self, World Insight Gained in Science Related Courses

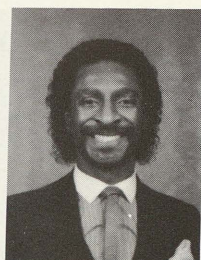

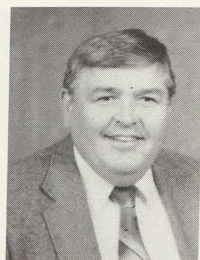

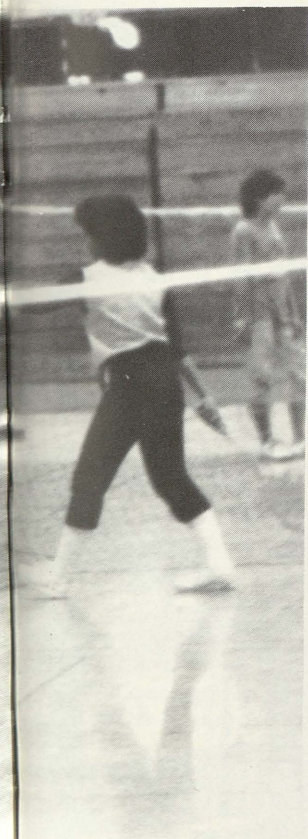

Some classes at Arthur Hill develop in students an attitude of physical well being. Whether required or elected because of interest, they are available to everyone.

Math classes are for students who are interested in broadening their knowledge mathematically. Students may select from geometry, algebra, algebra-trigonometry, pre-calculus, consumer math, computer programming and general math to name a few.

The Science Department has classes such as Biology, Chemistry and Natural Science for those who wish to learn about the make-up and functions of nature.

Both Gym and Health are one semester classes that are required. Health classes allow students to learn how the human body works and gym class enables them to learn about fitness.

Taken as a whole, the science related courses provide students with insight into themselves and their world.

Classes For All Tastes

Not all classes are fun and games. There are many classes that are not so fun, classes you are required to take for graduation. But, of course there are classes you select because you have interest in them.

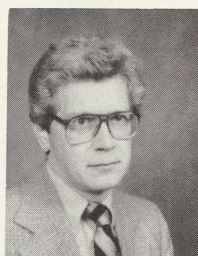

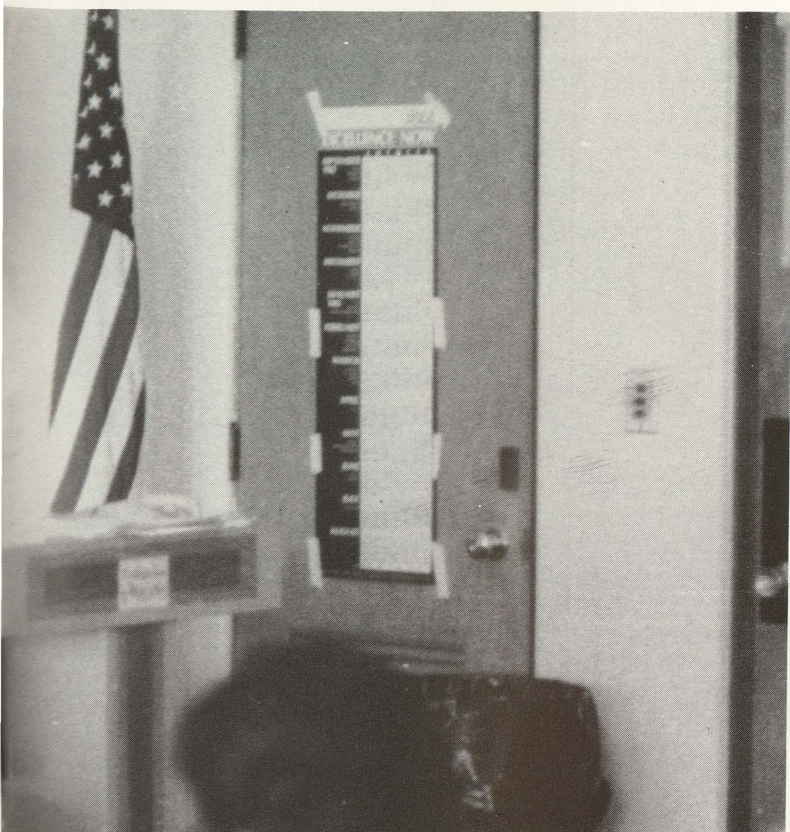

English is a required class that some students take a liking to and others do not. American, English, and World Literature are three basic English classes here at Arthur Hill.

Social Studies is also a required class that most students find absolutely impossible. Geography, government, economics, and history are four basic areas of social studies.

Foreign Language is not a required class; yet, it could become one in the future. It consists basically of French and Spanish. Recently, Latin has been added to the curriculum.

Library is also a class that is not required. It takes a student that prefers a quiet, calm atmosphere, guys and girls are both welcome.

Overall, I believe there are subjects for all tastes, and students have their own opinion for each subject.

'Frills' Classes Produce Well- Rounded Adults

Arthur Hill students are offered a variety of classes that help them prepare for the future. Among them are sewing, cooking, arts and crafts, woodshop, swing choir and many more.

In the Industrial Arts program students learn how to construct various articles from wood crafting to engineering and architectural skills.

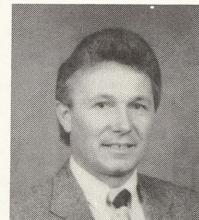

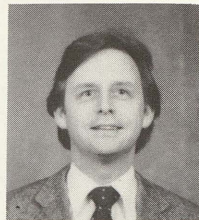

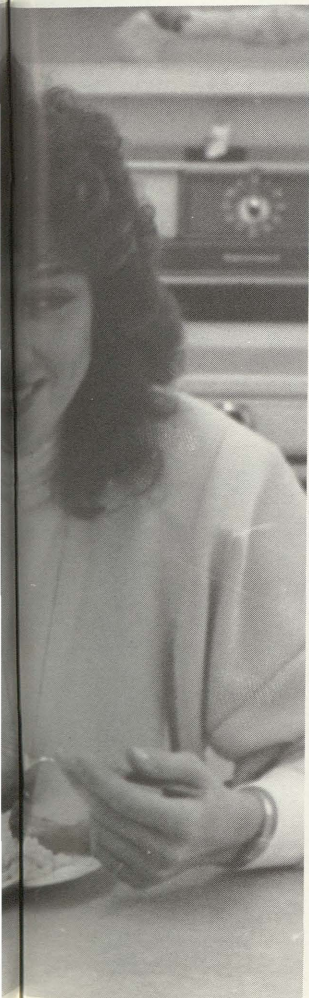

Our music program consists of a mixed choir, special performance swing choir and a concert band.

Business courses include accounting, business machines, business law, typing and many other classes.

There are five Home Economics classes offered at Arthur Hill. Sewing, cooking, and family relations make up the core.

General Art, Studio Art, and Arts and Crafts comprise the Art Curriculum at Arthur Hill.

Education By Any Other Name Is Still Education

Fitting in at Arthur Hill is not just a problem for the sophomores or for the new students, but also for the few students known as **special education students**.

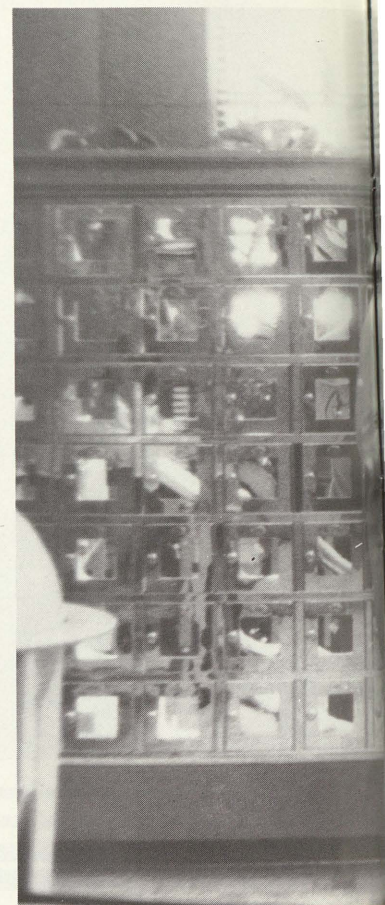

Meeting the same basic requirements for graduation is just a portion of what these students do. Many participate in school activities; such as sports, and attend CAS, a program for the gifted and talented students.

Educational Effectiveness Being Improved

Administrators working along with teachers have a major project this year. It's called the S3P or the Saginaw Successful Schools Project. This is being done throughout all Saginaw Public Schools. According to Assistant Principal Burris Smith, If significant changes are going to happen for the sake of education then it's going to have to be done at the building level.

Mr. Smith said, the Administration and teachers have been working to identify the needs of the school, then to devise a plan that involves the entire staff, to meet these needs,

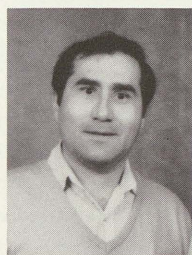

Thus far changes brought about by S3P committee are the New Assembly Policy and a more consistent attendance policy.

The goal of the S3P is to increase the educational effectiveness of the school.

Help and Protection Appreciated

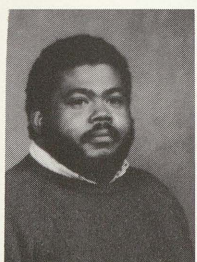

Arthur Hill High School is an institution of about 1750 students between the ages of 15 and 19. To have each day run smoothly without many problems, help is needed. The secretaries and para-professionals are here for that purpose. They guide the student and help the teachers each day of the year.

The para-professionals monitor the halls and control the parking lot before and after school. The students have an added sense of security knowing adults are around if they need help. At times, a few students feel that the para-professionals make the school seem like a prison. The students who expressed this have not thought about the good para-professionals do. Without their help students would not have much protection.

The secretaries are a big help to everyone from the administrators to the incoming sophomores. They take care of all the office work preparing bulletins, writing letters, making copies, and numerous other jobs. Their assistance is greatly appreciated by the institution.

CAS: Showplace for Talent

The CAS, or Center for the Arts and Sciences, is a school for those students who want to polish their academic and creative talents. The classes at the Center are: Choir, Dance, Global Studies, Instrumental Music, Math/Science, Theater, and Visual Arts.

Qualified students attending any school in Saginaw County may apply to the Center for admission. Getting in the Center is not very hard. You have to take a test and bring in a portfolio for art, or audition for other classes like Dance and Instrumental Music.

The classes at the Center perform for the public. Jazz Band or Instrumental Music, Dance and Choir performed last year at the Court Street Art Fair and the Visual Arts department displayed their best work.

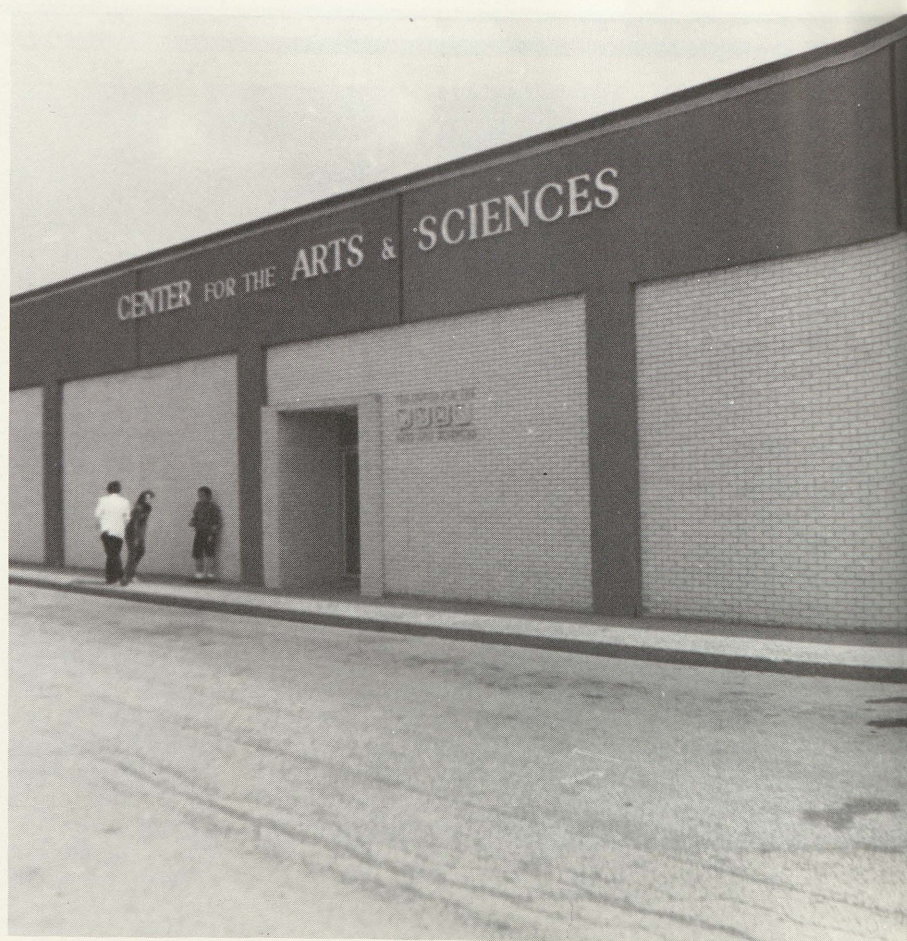

Students who have talent, and want to show it off, should go to the Center for the Arts and Sciences.

Future Career Opportunities Abound at the COC

The Averill Career Opportunity Center gives all students, who choose to attend, basic knowledge of the career of their choice. One class per semester can be taken, and the class lasts two and a half hours a day. It offers training in approximately twenty-seven different occupational areas. Students may also go out on Exploratory Experience, which is on-the-job training for the benefit of experience in that area. You may attain employment and get into co-op, which is having a job after school hours related to your class and receiving credit for it.

To attend COC you must live in the Saginaw County District, and be in the eleventh or twelfth grade. Most classes at the Center are college related but there are classes for students with special needs.

Employers are looking for extra skills which can be attained at the COC.

Underclassmen: Struggling to Master the Curriculum Maze

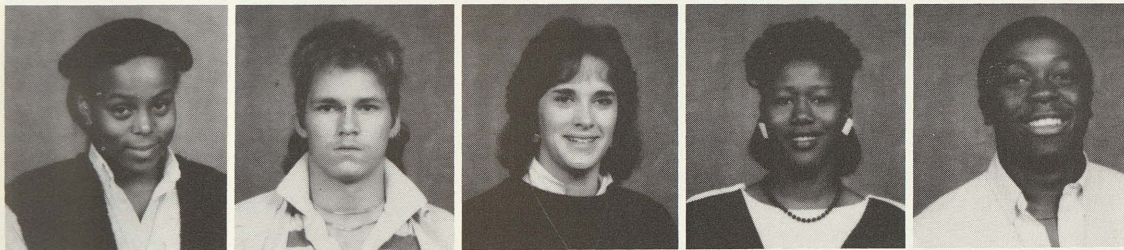

For the underclass, the high school maze is a complicated, confusing puzzle.

Admission to the school marks the beginning of journey whose end is not in sight. For some, helpful hints pertaining to the successful completion of the curriculum maze have been passed down from those who have mastered it. Hints help, but the maze is modified annually, and the underclassman still approaches it blindly.

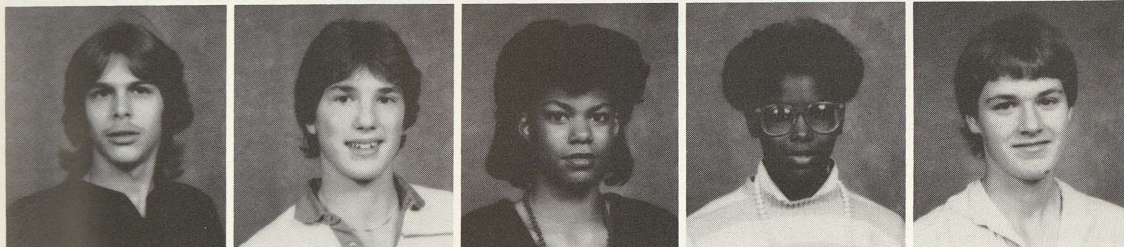

Hard work and the acceptance of setbacks are a necessary part of maze mastery, especially for the underclassmen.

Money makes the world go around and the yearbook come out.

The production of the Legenda this year cost over \$12,000, over half of which was student supported. The other half of the cost was charitably covered by business and family patrons and business ads... Thanks.

Community: An Amazing Amount of Support

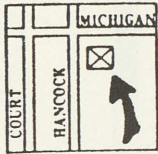

Contributions in this section represent businesses and individuals who believed in our endeavor and gave us their support.

A community is a network of persons who live and work together for the mutual benefit of all.

When we needed diversion, we found a pathway out of the maze into the community, and there we found places of interest and persons who cared.

Imagine a life spent solely on maze mastery. A diploma would be meaningless if it did not grant entrance to the community.

What Was? What Is? What Will Be?

We've all had at least one experience with our parents or grandparents talking about the way things used to be. Most times their comparisons to today go in one ear and out the other. After all, does it really matter what they did to pass the time on a Saturday Night, or what it cost to go to a movie, or buy a loaf of bread? Nah!

But cost comparisons reveal some pretty interesting data when their figures are compared to ours and the difference is used to project what we will pay for such common items as a stamp, or a 45 record, or even our children's senior pictures and college education.

ITEM	YESTERDAY	TODAY	TOMORROW
A Movie Ticket	\$.85	\$ 4.00	\$ 18.80
A Can of Pop	.15	.60	2.40
Levis	5.70	28.00	137.48
Lee Jeans	5.15	22.00	93.94
A Candy Bar	.05	.40	3.20
Bubble Gum	.01	.03	.09
A Pack of Gum	.05	.35	2.45
A Postage Stamp	.05	.22	.96
Gasoline/Gal.	.32	1.25	3.90
Minimum Wage	.80	3.35	14.00
McD Hamburger	.15	.55	2.01
A Pizza	3.00	6.00	12.00
An Album	3.15	6.98	15.42
A 45 Record	.75	1.50	3.00

Yearbook: An Amazing Undertaking

The production of the annual annual begins each year in the spring for delivery the next year, the next spring. In the course of the production of a single yearbook semesters change three times. Each new semester brings new students and the trauma of starting over again, of picking up where someone else left off, of putting together puzzle pieces from too many different puzzles.

At first glance the 1986 Legenda is a nice collection of pictures, stories, facts, and memories. Certainly worth keeping, and hopefully enjoyable.

Take a moment to reflect on how much effort it took to put together this volume.

Think of how many pictures had to be scheduled, taken, rescheduled, retaken, printed and reprinted.

Think of how many words had to be written, rewritten, approved, typed, retyped, edited and proofed.

Think of how many layouts had to be drawn and marked so that the printer would know whose face went with which name.

This book isn't perfect.

If your name is misspelled, or your picture is misidentified, or omitted, the staff is obviously sorry, and the mistake is obviously not intentional.

Legenda students worked hard for a long, long time to create for you a bound volume of your high school years. They worked not for money, and they seek not your praise--although they wouldn't mind it.

A simple thank you from Legenda buyers is much deserved and long awaited.
